Dear Dragon Family,

As we reflect on the vibrant activities that transpired in March, we extend our heartfelt gratitude to everyone who contributed to the success of the Parents General Assembly. Your active participation and valuable insights truly enriched our collective experience, fostering a strong sense of community and collaboration. In addition to the Parents General Assembly, March also saw the culmination of our school play *The Addams Family*, where our talented students showcased their creativity and dedication on stage. We commend their hard work and outstanding performances, which brought joy and inspiration to all who attended. Furthermore, Dragon Fest brought a burst of cultural celebration to our school, highlighting the diversity and unity within our community. We extend our appreciation to all the volunteers and participants who made this event a memorable success. Looking ahead to April, we have another exciting event on the horizon—the much-anticipated Talent Show. Scheduled for Wednesday, April 24th, this event will provide our students with a platform to showcase their unique talents and passions. We encourage all parents to attend and support our young performers as they shine on stage. As we continue to foster a culture of engagement and involvement within our school community, we thank you for your ongoing support and commitment. Together, we can create memorable experiences and meaningful connections that enrich the educational journey of our children.

Warmest regards,

Balboa Academy Parents Association

WHAT'S HAPPENING

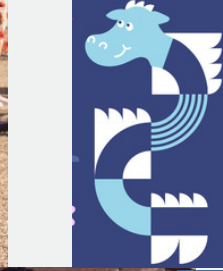

On March 20th, the Parents Association hosted an extraordinary assembly where parents, the school director, the Inspired group, and delegates from the parents' association gathered. Together, we discussed topics of great interest to the school families, addressing concerns and seeking solutions for a better educational future. The assembly was an invaluable opportunity for the school community. Parents had the chance to discuss a wide range of topics, from improving facilities to developing innovative educational programs. Relevant issues for students' academic and personal development, as well as the general well-being of the school community, were addressed. Topics such as school tuition, academic calendar, and the importance of collaboration among parents, teachers, and administration were discussed. The delegates from the parents' association played a key role in representing parents' concerns and perspectives, ensuring that their voices were heard and taken into account in school decision-making. In summary, the assembly was a standout example of how collaboration among all stakeholders can lead to a stronger, student-centered school environment.

Congratulations to all the students involved in the recent school theater production of "The Addams Family"! Your hard work, dedication, and talent shone brightly on stage, captivating the audience and bringing the iconic Addams characters to life. Your commitment to excellence and creativity is truly commendable; it was a delightful production that left the audience thoroughly entertained and impressed. Well done on a fantastic performance!

WHAT'S HAPPENING

It is wonderful to reminisce about the fantastic memories from the Dragon Fest by looking at some photos. The images capture the joy, excitement, and togetherness shared by everyone during the event. Whether it's snapshots of thrilling games, delicious food stalls, or heartwarming moments of laughter and friendship, these photos serve as a beautiful reminder of the fun-filled day we all enjoyed together. Let's take a trip down memory lane and relive those special moments captured in each photograph. [Link to video Dragon Fest, click here](#)
